

Ho'oponopono Healing Affirmations

I Love You

Do you know it?
Did you hear it?
I love you – all that you are
All that we are

What is it in this love?
What makes it so special?
It is the source for all forgiveness
And also the source for True Acceptance

Love, the Creator's grace in us
Sipping through to the core of our being
Healing every fibre of our soul
And the whole of our being

Love, love freely
True love – Unconditional Love
Fear not
As no one could take it away from you
– From us
